Mr. R. W. Speir, Jr.  
C/o Export Branch, Gen. Motors Acceptance Corp.  
Broadway & 57th Street, New York City

Dear Sir:

On my return from my vacation, Mr. Robertson handed to me the coin which you left here. This coin is an Indo-Bactrian piece, struck somewhere between the years 50 B.C. and 50 A.D., and has always been assigned to "the Unknown King".

I understand that you did not wish the coin returned by mail and am, therefore, holding it here for you.

Very truly yours,

Curator
